

2011 CATALYST AWARD

Nomination Fee Form

Due to the rigorous evaluation process, a \$2,500 nomination fee must be included as part of the completed application packet. Just as diversity and inclusion efforts have advanced in complexity, the Catalyst Award has also evolved. To keep pace with the increased sophistication of nominating initiatives, the nomination fee is required to partially cover expenses associated with the review process.

Each organization gains an outside perspective on its diversity and inclusion efforts. Finalists receive 500+ hours of review by the members of the Catalyst Award Evaluation Committee. Non-winning finalist organizations have the opportunity to receive a feedback session that details strengths and opportunities for improvement.
