1. *Financial Post* style was used in company name listings. Results are accurate within one-tenth of a percent. Data fields with a dash denote companies that were excluded from analysis because they did not have senior officers as of June 1, 2010. Companies listed in *italics* verified this information. Data fields with "N/A" denote companies that did not make senior officer information publicly available and did not participate in Catalyst's verification process.

2. Petro-Canada amalgamated with Suncor Energy Inc. in August 2009.
