

PRIDE MONTH 2016

#StandUnited

"I cannot in good conscience perform in a state where certain people are being denied their civil rights due to their sexual orientation. Using my voice I stand in solidarity with all my LGBT friends."

BRYAN ADAMS

"It's just so silly and it doesn't make any sense to me that you wouldn't be able to marry whomever you want to marry."

ADAM LEVINE

"Everyone should be able to love who they love... I hate that certain people are treated differently than others just because of who they love."

SOPHIA BUSH

"We can't say that we believe in each other's fundamental humanity and then turn a blind eye to the reality of each other's existence and the truth of each other's hearts."

KERRY WASHINGTON

"All people have a fundamental desire—and a fundamental right—to be treated fairly."

SIR ELTON JOHN

"I encourage even more diversity in the fashion world, that includes welcoming trans models to the runways."

NAOMI CAMPBELL

"When everyone else is more comfortable remaining voiceless / Rather than fighting for humans that have had their rights stolen / I might not be the same, but that's not important / No freedom 'til we're equal..."

M & RYAN LEWIS

"No matter what your beliefs are, nobody is bad or wrong because of the way that they were born. Why anyone would tear anyone else down, especially for reasons that are so intimate, is beyond me."

KRISTEN BELL

"People need to stop being judgmental, and let people be: Whatever they want to be. Focus on your own life."

PRIYANKA CHOPRA

"I believe when we love someone, we respect them, and we listen to them... and we let them dictate the terms of who they are and what their story is."
