

October 27-28, 2021

Catalyst Honours recognizes exceptional Canadian business leaders who accelerate progress for women in the workplace and understand the importance of creating **humanity at work**. More than a year into a global pandemic that has laid bare gender and racial inequities, this year's virtual Catalyst Honours gathers our Champions—and leaders from top global companies—to learn and share cutting-edge diversity, equity, and inclusion practices. Together we will demonstrate the power of humanity at work—because workplaces that work for women work for everyone.

Your support helps us build a future where all women can thrive at work. With your help, Catalyst will continue to expand our global community, showcase preeminent thought leadership, and deliver holistic end-to-end solutions.

Catalyst Honours Champions

Six exceptional Canadian corporate leaders have been named 2021 Catalyst Honours Champions. They have made transformational contributions to accelerating progress for women through workplace inclusion and represent the gold standard for inclusive leadership in corporate Canada.
